

# 12th Annual Lake George Bookmark Design Contest

*Promote the protection and stewardship of Lake George by participating in the 2020 Lake George Bookmark Design Contest!*

The Lake George Association is looking for original artwork for the twelfth annual Lake George Bookmark Design Contest. Entries are now being accepted from all students attending public, private, or home schools located within the Lake George watershed. The Lake George Watershed is 233 square miles and includes the towns of Lake George, Bolton, Hague, Ticonderoga, Putnam, Dresden, Fort Ann, Queensbury, the village of Lake George, Horicon, Lake Luzerne and Warrensburg.

## **The 2020 bookmark theme is “*Stop the Flow of Polluted Stormwater*”**

Polluted stormwater is one of the biggest threats to Lake George water quality. Rainwater running off parking lots, roads, roofs, and cars can carry harmful pollutants to our streams and Lake. Therefore, we would like to encourage students to focus on Lake and watershed stormwater pollution prevention. Ideas that fit the theme include keeping storm drains free of debris, planting along the shoreline/preventing erosion, “No dumping in the Lake”, rain barrels, rain gardens, no littering, etc.

You can learn more about stormwater threats to Lake George by visiting  
[www.lakegeorgeassociation.org](http://www.lakegeorgeassociation.org)

•Finished bookmark size is 3” x 8”. A template is provided on the entry form.

•Designs must be in color (crayon, colored pencil, marker, or watercolor) on unlined white paper.  
NEW FOR 2020! Digital creations will be accepted.

•The winning design will be printed on a bookmark along with the student’s name and school and distributed to schools, libraries, and other locations throughout the Lake George watershed.

## **Deadline for entries is April 30, 2020**
